Getting Married?

Party time?

A Pigroast Party can take place at any venue be it a private garden, a village hall, a wedding marquee, or around the pool.

We recommend you invite a minimum of 40 guests

The style of these events is usually relaxed and casual.

A happy, sunny, friendly, informal event with a sophisticated yet relaxed casual atmosphere. A party aimed at reflecting the spirit and fun of a traditional English Pig Roast but where we cook on our Spit and then deliver the finished product to your venue, by appointment , so that all you have to do is

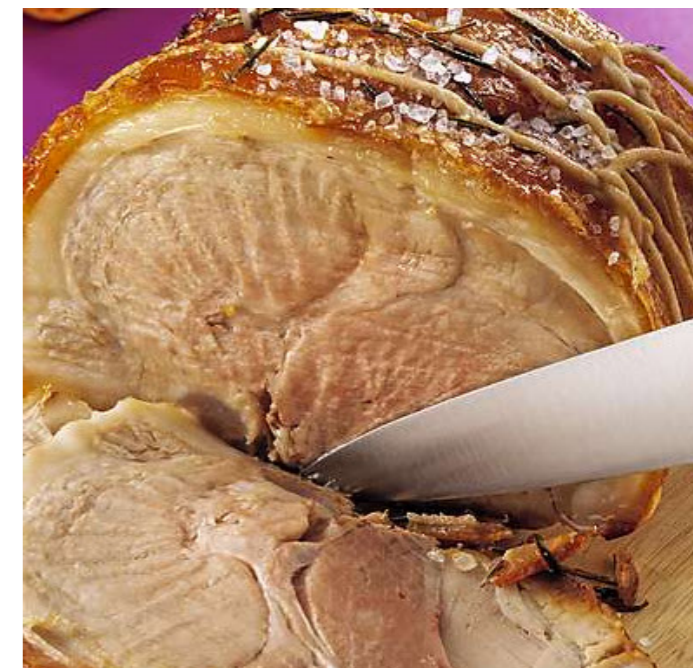

.. ***“just relax and enjoy your party”***

**.add  
some  
Fizz..**

**Giant legs of cider marinated pork on our spitroast**

**Succulent easi-carve, no bone, no waste**

**Depending on your numbers, we provide:**

The correct number of “*Cider Marinated*” slow spit roast giant legs of local pork.

Each leg serves about 40 guests and is covered with crackling. You can order as many legs as you need and arrange the best time for us to make our delivery.

Unlike cooking a whole pig this method ensures that you serve your guests only the finest cuts of top quality meat, all lean and delicious with no fatty or chewy portions, no belly fat, no shoulder or shin meat. The meat is easy to carve as there is no bone , nor a whole animal’s carcass for you to worry about disposing of in line with the law! Remember too that this way there is no waste either

Finally, for an ever increasing number of people the sight of the cooking a whole pig on a spit can be somewhat distressing, using the “Pig Roast Party” spit roast method, no offence can be given to your party of guests.
